

## World Children's Day Activity Year 3.4 Ms. Scicluna

A discussion was held in class about the World Children's Day. The children were shown pictures of different children coming from 5 continents mainly Europe, Australia, Asia, America and Africa. They were also shown their respective flags.

The children discussed their similarities as well as their differences. Then in pairs, all the children drew pictures of the world, of the different children and their respective flags.
